Hello everybody,

This newsletter is to provide AACC members with updates on past, current and future activities and to provide a forum for suggested activities and articles that members would like to share. For example if you see an article that would be beneficial this is the place to do it. This will complement the AACC website as well. For example if you would like to submit a pic of your corvette and a little bit about the history of it this is a great place to do it. Additionally, if you would like to share a technical article you read or a Do-It-Yourself (DIY) article this would be a venue you could share it. Please ensure your submittal contains the following:

- 1) A short article in your own words about the topic.
- 2) If you want to include pictures, please ensure the file size of each pic is 1 megabyte or smaller.
- 3) If you reference an online article please send the complete hyperlink and a short paragraph about it.

Finally, the Board of Directors would like to wish everyone a Safe and Happy 4th of July.

Sincerely,
AACC Board Members

Freedom Chevrolet Car Show 2015

On a Hot Summer Saturday morning, the Freedom Chevrolet Car show hosted 80+ cars from the 1920 through 2015. With a lot of people stopping to look at the cars it made the day very enjoyable. Thank you to everyone that participated. Please remember our next Major Car show is 24 Oct 2015. We anticipate about 200+ cars, so please consider helping make it a very successful one to close out the year.
